Class activity 1: What Do We Mean by 'Environment?'

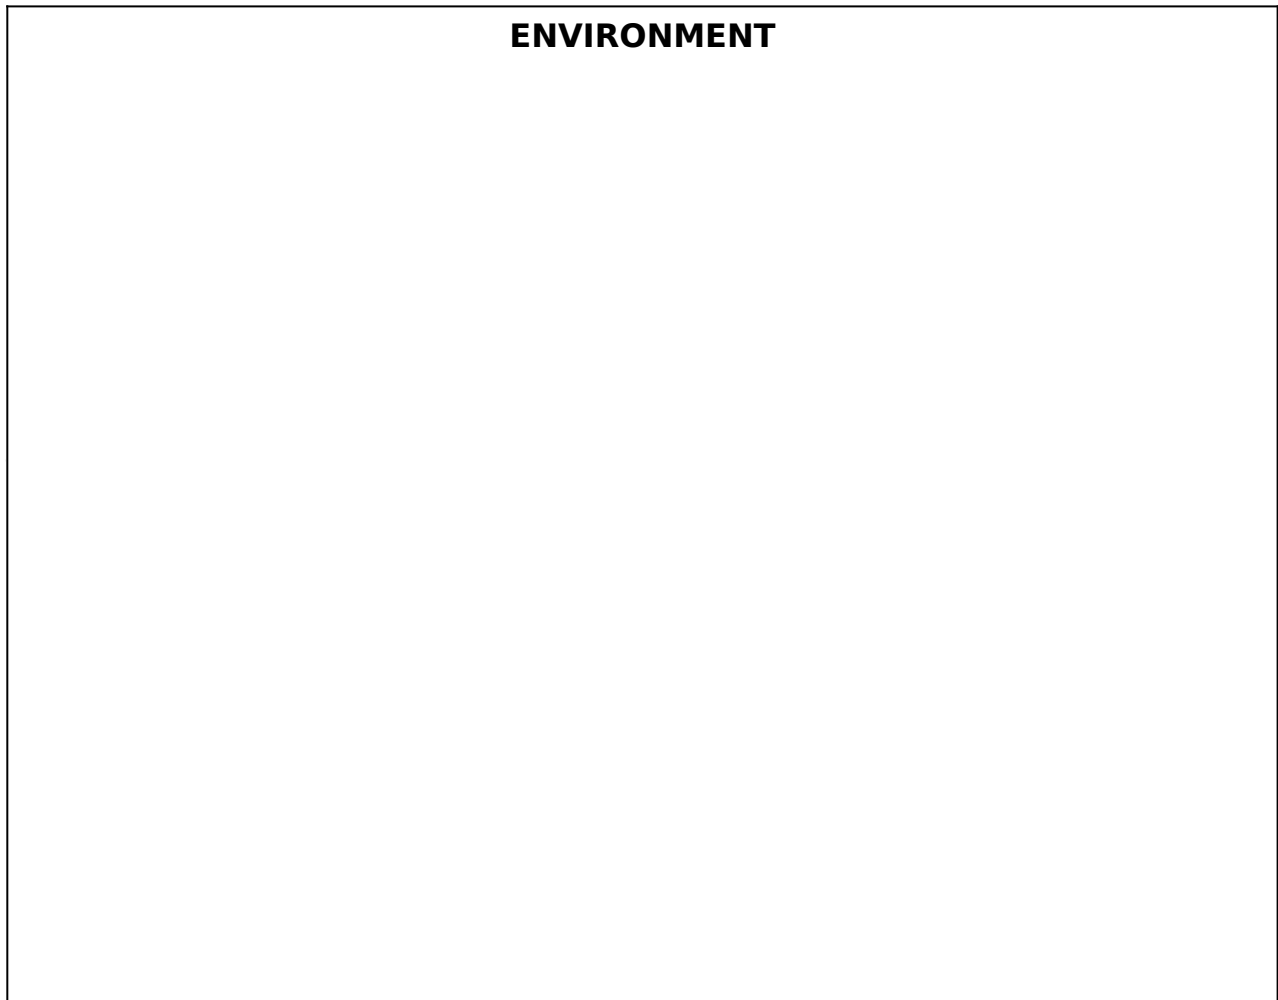

1. What do you think of when you hear the word 'Environment'? Brainstorm what the word means to you and record ALL ideas in the box below.

ENVIRONMENT

GEO 01

2. Now organise your ideas by grouping similar parts together. Draw a mind or concept map in the box below or use mind mapping software to represent your ideas.

ENVIRONMENT

3. Before handing in your work, check to see that you have included man made or human aspects of the environment.
